**Staff Development Day**
Staff from Binda Public School will be joining with staff from Bigga Public School to complete training sessions as set by the Department on Monday 13th July. This will be held at Binda Public School.

**Students will commence Term 3 on Tuesday 14th July.**

**Winter Uniform**
Recently, some students have not been wearing the correct school uniform. Please ensure that students are wearing their complete uniform, including the appropriate footwear to school each day. As the weather is becoming colder, students may choose to wear a navy beanie with their coat instead of their navy school hat.

**School Starting Times**
Recently, due to the work being done on Binda Road causing traffic delays, we have revisited the supervision policy for before school. While we try to accommodate families, students should not be at school before 8:30am. Any students who arrive at school before this time will be asked to wait quietly in the classroom until 8:30, when the morning supervision starts.

**Term 3 Sport**
Our students have been invited to join with Bigga Public School for a series of 4 sessions to develop their soccer skills next Term. We will be travelling by bus to Bigga every second Friday, starting on Friday, 31st July. The cost of the bus will be covered by Binda Public School. A permission note will be sent out with the first newsletter in Term 3.

**Student Attendance**
Senior students who are not going to camp are expected to be at school each day participating in a full learning program. I will be attending camp with our students in week 2 next Term. Mrs Picker and Miss Milner will be at school on Monday and Tuesday, while Mrs Evans will be working with Miss Milner on Wednesday, Thursday and Friday.

An information booklet from Point Wolstoncroft has been sent home today with the students who will be attending. Students will be travelling to camp by bus. The bus will be leaving from the Goulburn Courthouse at 7am Monday 20th July. It is planned for the bus to return around 5pm on Friday 24th July.

**Semester 1 Reports**
Student reports for Semester 1 have been sent home with this newsletter. The reports have been written based on the work completed mainly this term and are not as in depth as they usually would be due to the changes that have occurred over Term 2.
I would ask parents to make an appointment to sit down and talk through the progress of students if you have any concerns regarding the reports or student progress in general.
Finally, I would like to wish families a safe and enjoyable break and look forward to seeing everybody fresh and ready for a busy Term 3.
